WORK EXPERIENCE

Walmart <i>Cart Pusher</i>	Warrenton, MO March, 2015 - December, 2015
<ul style="list-style-type: none">• Gather the carts from the parking lot, keep the inside stocked. Assist customers, clean and help other associates when needed.	

McDonalds <i>Cook</i>	Warrenton, MO August, 2016 - April, 2016
<ul style="list-style-type: none">• Prep, clean the kitchen and prepare food for customers.	

Missouri Air National Guard <i>3D153 RF Transmission Systems Journeyman</i>	St. Louis, MO January, 2018 - Present
<ul style="list-style-type: none">• As an RF Transmission Specialist in the Missouri Air National Guard I work to troubleshoot, deploy and sustain Radio Frequency Equipment. This includes items such as HF masts, antennas, LMRs and my personal favorite SATCOM.• While I was deployed. I worked at the COMM Focal Point. (Help Desk) This lead me to gain experience troubleshooting and solving issues for customers that were time sensitive, mission critical, and even just small requests. I also worked on multi-million dollar projects such as setting up an eLMR tower, programming hundreds of radios for the tower, and assisted in establishing new Giant Voice system for base wide alerts.• Completed Airman Leadership School	

SKILLS

Programming Languages:	Python
Troubleshooting:	Capability to troubleshoot issues to narrow down a solution
